

My dear Mr Gordon - Just a short note  
this morning to tell you that all is  
well with us - We were up very early  
because Father had hired two men to  
clean the yard - It is now nine thirty  
and no more - They evidently decided  
it was too far from good old No. 7 -

I am enclosing a letter from George -  
We don't know just when we will go  
to see our new granddaughter - We are wait-  
ing to hear from John - but he has a  
family failing - he never answers a question -  
Arch went to Chicago last night - so  
we probably will have Peggy and Grappa  
for dinner - This is the second day

we have had the blessed sun shine -  
this is truly remarkable this spring -

Hannetta has been sick for several  
days - so I have been busy - just  
routine work - but I am slow  
I guess - I am going to swing

this afternoon - Mr. Dove sat these days  
just now - Monday night we had  
dinner with the Bill Frazers - Clara is  
a wonderful girl - she had a delicious  
dinner - cooked and served it - had  
fed the four boys before we arrived - need  
believe it or not - they behaved like  
angels - She had made every thing  
she served - a delicious - cake + hot  
rolls - much too much for a fat  
lady - Mr + Mrs Dix are delightful young  
people - very bright - They have bought  
the old Starbuck house in Colrain - and  
are going to have a beautiful home -  
It is a lovely old brick house - that  
has not been spoiled with new mud  
or hardware - This we could be  
at. bassar to - day - This is a perfect  
day for commencement - but it always  
rained when I was - so perhaps it is  
true - we couldn't go - all our love  
dear son - your devoted Mother -

Don't forget to request candy - or  
something -
