Tuesday -

Dearest Cary - In my hurry
over the cocktail party I
forgot to tell you Mother
that the announcements &
the papers were sent air
mail special delivery. I
am so grateful to her
for having the young man
attend to our liquor
necessities for the party. I

will write a note to
confirm plans to Mr. Uron.
If you see him tell him we'll
all stay in the Pine Room.
You & Gord are in Boston
this minute, I know - What
fun - Give the Captain
much, much love, and
we'll see you Saturday
afternoon - I seem to be
all of a flutter myself, though
most things are done & now
I must pack - Tell Gordon,

Tim bringing his gifts
along - No thank you
Mother again for me. - Much
love to all of you -
Peggy
