

My dear Mrs Stuckey -

It was so nice of you to write me, and I'm sorry that I did not get a letter of yours first. With all the plans which only the mother of a Bride can attend to, I left the matter of out-of-town-girls to Aunt. I did, however, make arrangements with the Hunt Club for rooms for many guests, as Aunt had hoped that

Several of the Passantes
would come in, and I
thought it would be
fun for them all to stay
together. However, one by
one - each as had to regret
so since Cary is the only
one we want very much
to have, her stay with us
Mum has written her to
come for a party on Tues.
and we hope that she
can arrive on that
morning - We can meet

ter at any hour, and
she can get off at the
E. Cleveland station, which
will be nearest to Gates Mills.
I wish you could come
too, as I really think we
are going to have a lovely
garden wedding.

Ann is so pleased that
Cory will come, and I'm
sure she will have a
good time at the many
parties.

We hope to see Brooks
on the morning of the 6th

So far he has not received
his assignment, so these
children do not know
what the future has
in store for them. We
may be back at Vassar
sooner than we anticipated.

If you can arrange to
come on, we will see to it
that you meet your old
friends -

Thank you so much for
your letter - We shall take
good care of your little
girl -

Sincerely,
Evelyn L. Knicker
