

Anne Ewing Kinder to Wed Ensign Brooks Morton Jones at Parents' Home Today

By Cornelia Curtiss

PARTIES in honor of Miss Anne Ewing Kinder, daughter of Mr. and Mrs. Walter Tupper Kinder, who will be wedded this afternoon at the Kinder home to Ensign Brooks Morton Jones, were climaxed last evening with one of the most delightful events of the summer. The groom's parents, Mr. and Mrs. Thomas Hoyt Jones, gave a dance in their honor at Bywaters, their home on the River Road at Gates Mills.

Also host was Staff Sergt. Thomas H. Jones, jr., who by a happy fate was given three days furlough from the Glider Command at Grand Forks, N. D., and flew home arriving yesterday morning. His parents and brother returned to Cleveland about the same hour, but from New York where his commission was conferred on the bridegroom Wednesday. He has been training aboard the U. S. S. Prairie State and Mr. and Mrs. Jones went east for the graduation.

The party last evening was one of the few affairs of the kind given recently and was the more enjoyable for that reason. A large waxed floor was built on the lawn of the Jones residence so the guests danced under the stars to music of Ernie Taylor's Orchestra interspersed with entertainment by George Paderewski, strolling musician.

Earlier in the evening the groom's bachelor dinner was given by his brother, the table being placed on the enclosed veranda of the house. Mrs. Eugene T. Kinder at the same time entertained with the spinster dinner for her sister-in-law, the youthful bride-elect.

Miss Cary Stuckey who is to be maid of honor for Miss Kinder at the wedding today is the daughter of Mr. and Mrs. Howard S. Stuckey of Exeter, N. H. Mrs. Stuckey is the former Helen Potter, daughter of the late Mr. and Mrs. Jotham Potter, who will be remembered by many of the older Clevelanders. After the Jones-Kinder wedding, Miss Stuckey will visit briefly with her cousin, Mrs. Elizabeth B. Berkeley and her great-uncle, Mr. Sheldon Cary.

Pre-Nuptial Affairs

The cocktail party which Dr. and Mrs. Robert M. Stecher gave yesterday in honor of Miss Eloise Smith, her parents, Mr. and Mrs. Werner G. Smith, and her fiance's parents, Mr. and Mrs. Waldemar Meckes, was for 150 guests at the Stecher home in Lakewood. Miss

Smith, whose marriage to Lieut. Waldemar Meckes II of the United States Marine Corps, is set for Saturday, Aug. 15, is one of the busiest brides of the moment. Added to the many parties which have been keeping her in a whirl is a dinner which Miss Graham Latimer is planning for next Tuesday evening. Mrs. Robert P. Abbey (Betsey Townes) and her sister, Miss Rachel Townes are giving a picnic supper and shower for her Sunday at the Clifton Club beach.

Mrs. Hermon Butler Peck is planning a luncheon and shower for next Friday in honor of Miss Mary Elizabeth Heedy, whose engagement to Lieut. John D. Williams was announced last week.

Anniversary

The Rev. and Mrs. LeRoy Lawther of Lakewood Presbyterian Church will have a reception Saturday from 2 to 5 at the church to celebrate their 25th wedding anniversary.

Vacationing

Mrs. George E. Collings, who is at her Twin Pines Camp at Peterborough, Ont., will remain there until mid-October.

OPENS U. S. BORDER TO MEXICAN LABOR

Pact Aimed at Nipping Any Shortage of Farm Help

WASHINGTON, Aug. 6—(AP)—The government tonight announced an agreement with Mexico whereby this country's southern borders can be opened for temporary immigration of Mexican farm workers, under stipulated conditions, as a means of making certain that an agricultural labor shortage does not blight the "food for victory" program.

At the same time, the Office of War Information made public a federal program for financing the essential transportation of American and Mexican farm workers shifting from place to place. Wage and work standards were set up for migratory workers thus aided.

A joint statement by Man Power Chief Paul B. McNutt and Agricultural Secretary Wickard said:

"In all cases, farmers must meet certain standards of wages and living conditions in order to qualify for transportation help from the Farm Security Administration in obtaining domestic workers. They must pay the newcomers the going wage in the community for the kind of work performed, with a minimum of 30 cents an hour or its equivalent on a piecework basis.

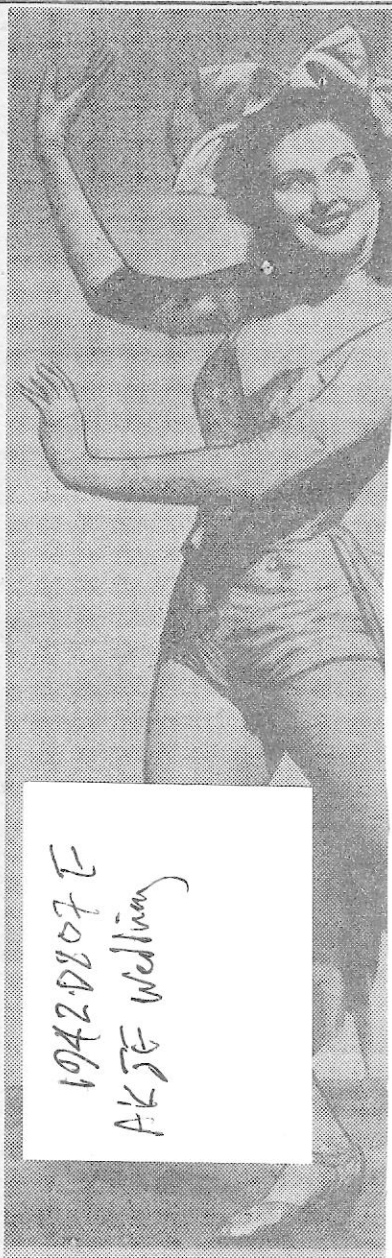

Work Minimum Set

"They must give the workers employment for at least three-quarters of the time they are in the area, not counting Sundays. Also they must provide satisfactory housing."

The arrangement with Mexico was made through the State Department, and provided guarantees for the Mexican workers as to wage rates, living conditions and repatriation, and guarantees for American farm workers against reductions in prevailing rates of pay or their displacement by foreign labor.

Mexican workers will come into the United States only when domestic labor is not available to meet the demand, the statement said, and outlined further stipulations as follows:

"Each worker will enter only on written contract providing that he be paid the prevailing wage rate, with a minimum of 30 cents an hour, that he be employed at least three-quarters of the time he remains in the area and that he will
