

Saturday

Dear Mrs. Stuckey,

This is a hard note to write as I have never met you, but I have learned to know your marvelous daughter Cary at Anne's wedding. I was one of the

bridesmaids and we went to many parties together. George and I feel that Cary's planned stay in Cleveland was all too short and would like very much to have her stay with us for a few days after she leaves the Phillip's.

I believe she is writing

you also but I want to let you  
know how much we like her and  
want her to visit us, and also  
to promise to take good care of  
her.

Sincerely,

Jane Kinder
